## **Client Broker Relationship and Arbitration Procedure**

The receipt of complaints enables brokerage house/PSX to identify trading violations, which could impact investor confidence or affect fairness in the stock market. Using complaint information PSX can identify the weak areas in relevant regulations or in their compliance and make necessary arrangements for fixing the same.

### **1) How does the client know if they have a case against a Stock Exchange Member?**

Losing money through dealing in securities is not in itself reason enough for a client to have a case against a Member. However, it is the responsibility of the Member to invest money according to the client's instructions. There are certain malpractices against which a client can lodge a complaint such as:

- Unauthorized Trading (Sale/Purchase)
- Unauthorized Transfer / Movement of Shares
- Non-supply of Statements of Account
- Non-supply of Trade Confirmations within 24 hours
- Overcharged Commission
- Failure to Execute Investor's Instructions/orders
- Suspension of Payment
- Non-Delivery of Securities

### **1) What are the different streams through which a problem with a Stock Exchange Member can be settled?**

There are three possible recourses for the client in regards to filing a complaint but prior to this it is strongly suggested that the complaint be taken up directly with the Member. This will not only save time but may help to preserve the trust and confidence between member and client.

**PSX Arbitration Committee:** The client has the option of bringing their complaint to the management of the PSX. As a front line regulator PSX is empowered to take cognizance of complaints against the Members under the approved Rules and Regulations. After the careful review of all documents provided by the parties an Arbitration Award may be passed in accordance to the Rules and Regulations.

**SECP:** The client can also lodge his/her complaint with the Vigilance Cell which has been setup at SECP to ensure that grievances/complaints of the general public are heard and redressed, in a quick and efficient manner. All the complaints received by the Vigilance Cell against Stock Exchange Members are forwarded to the Investor Complaint Wing ("ICW") of the Securities Market Division ("SMD") for further processing. However, SECP is not empowered to force the Member for compensation/damages.

**Civil Court:** The client can also file their complaint with the Civil Courts.

## **2) What is Arbitration? Who are the persons who can act as Arbitrators?**

Arbitration is an alternative dispute resolution mechanism provided by PSX for those persons who do not wish to go to Court. Through this method disputes between the trading Members and between trading Members & their constituents (i.e. clients of trading members), may be addressed & resolved in respect of trades done on the Exchange. This process of resolving a dispute is comparatively faster than litigation.

The arbitrators are Members and management of the Exchange and Non-member directors of the Exchange.

## **Who can avail the facility of Arbitration on the Exchange?**

The facility of arbitration on the Exchange can be availed by:

- Investors who have dealt on the Exchange through their Members dealing in Securities
- Investors who have dealt on the Exchange through registered agents of the Member dealing in securities
- Trading Members who have a claim, dispute or difference with another trading Member or a constituent

## **1) What is the period for filing an application for Arbitration in the event of a claim, difference or dispute?**

An application for arbitration has to be filed within 3 months from the date of the dispute. For further details please refer to Regulation 34 of the General Rules and Regulations of Pakistan Stock Exchange Limited.

2. The Arbitrator conveys the date of hearing to the parties and grants hearing in this respect to provide the parties an opportunity of presenting their case. After hearing both sides the Arbitrator passes an Award accordingly.

3. ### **1) How is an Award made by the Sole Arbitrator/Panel of Arbitrators?**
